Mette Moestrup debuterade 1998 med *Tatoveringer*. Uppföljaren är *vildare, märkligare och farligare*. Den öppnar sig i tre delar: en barndomsdel, en förvandlingsdel och en vuxendel. På vägen introduceras gästarrister som den grekiska urdiktarrinnan Sappho, Batman, Emily Dickinson samt samlingens huvudperson, Dolores/Lolita. Med denna diktsamling träder Mette Moestrup fram som en av de viktigare namnen i nyare dansk lyrik. "Lärd, men liderlig, livlig och full av humor byter diktaren ständigt position och tar sin läsare med på en förvirrande berg- och dalbana mellan textens nivåer." Erik Skyum-Nielsen, *Information* (DK) Mette Moestrup är född 1969 i Århus och har tidigare varit redaktör på tidskriften *Den blå port* och arbetar nu som lärare på Forfatterskolen i Köpenhamn. Översättning av Marie Silkeberg.

Yellow peel and sweetly tangy flavor make a tempting snack.
