A Coloring Book är fylld av fantasifulla teckningar för barn i alla åldrar, att måla eller bara inspireras av. Året var 1953. I en korridor i Empire State Building, utanför en skotillverkares kontor, stod en ung man med Jackson Pollock-skor, skrynklig svart kostym, en portfolio och massor av vitt hår. Andy Warhol bar på skisser för samma kund som företaget Fleming-Joffe Ltd skulle visa nya kolorerade läderprover för. Fleming-Joffe behövde någon som kunde hjälpa företaget att definiera sig självt som skapare av mode, inte av varor vilka som helst, och så inleddes ett mer än tioårigt samarbete mellan de båda. Andy Warhol designade allt från annonser i Vouge till shoppingkassar, från en mässmonter helt i metallfolie till en målarbok att dela ut bland kundernas barn.
